1 Human Rights Statement

Meelunie is committed to respecting internationally-recognised human rights across our own operations and throughout our value chain, in line with:

- The UN Guiding Principles on Business and Human Rights;
- The International Bill of Human Rights, including the Universal Declaration of Human Rights;
- The International Labour Organisation (ILO) Declaration on Fundamental Principles and Rights at Work.

This commitment applies to any individuals or communities who may be affected by Meelunie's operations and value chain relationships.

As part of our risk-based approach to human rights due diligence, Meelunie identifies and assesses both potential and actual adverse human rights impacts it may have through its own activities and/or value chain relationships. Where Meelunie has caused or contributed to adverse human rights impacts we are committed to providing for or cooperating with appropriate remediation.
